Effective Date:	3-Mar-05
Last Revision Date:	25-Mar-05

Purpose:

To provide a clear and concise understanding of the response procedures for mutual aid calls in Augusta County.

Policy:

When a call is received, the appropriate apparatus shall immediately respond following SOG Comm 01-001 (Radio Procedures). The first in piece shall not wait for volunteers no matter the nature of the call.

Radio traffic from response vehicles will be kept on Wintergreen Fire Channel 1 unless they are the only unit responding to the call. Examples: first response or ALS assist.

Only the apparatus requested will respond with one career person and any immediately available volunteers.

Volunteers will respond using a quick response vehicle if appropriate.

Minimum staffing does apply to these calls. If at minimum staffing, the shift captain will notify Augusta EOC on the assigned operational frequency and tone for any available volunteers.
