

Wintergreen Fire and Rescue Standard Administrative Policy	
Subject:	Patient Care Protocols
Reference Number:	EMS 03-002
Effective Date:	3-Apr-09
Last Revision Date:	8-Jan-21
Signature of Approval	Curtis Sheets, Chief

Purpose:

The purpose of this guideline is to establish the patient care protocols that are utilized by Wintergreen Rescue Squad.

Policy:

Wintergreen Rescue Squad is operating in the Thomas Jefferson Emergency Medical Services Council (TJEMS) region. However, Wintergreen Rescue Squad is operating under its own protocols as approved by our Operating Medical Director.

Each provider may have a full-size digital copy upon request to the Training Captain.

The protocols/guidelines may be found on the Android Play Store or from the Apple App Store by searching “Wintergreen Rescue Squad”.

These protocols are approved for Wintergreen Rescue Squad only, by our Operating Medical Director. Any deviation from these protocols must be approved by the department’s Operating Medical Director (OMD) or on-line medical control at the receiving hospital.
