

This facility made possible by a generous donation from the Dunlop family

It's important that our community knows this facility was funded entirely by a private donation. Additionally, a reserve fund for future maintenance was created.

The funds we raise during the year to support our operations and purchase rolling equipment, are still dedicated 100% to that mission.

OPEN HOUSE

LODEBAR ESTATES & 151

Just North of NELLYSFORD

PROPERTY OWNERS : 10 AM—12

ENTIRE COMMUNITY: NOON—2 PM

APRIL 13th

**Donate to YOUR
Fire Department today...
every dollar is important.**

Online at:
www.wtgifireresq.org/donate
or use the QR code below.
Be sure to click the Fire button.

OR
Donate by check or credit card
with the enclosed card and
envelope.

Make Your Donation Go Further:

Donate Appreciated Stock

It's simple and easy. When you donate stock you'll generally take a tax deduction for the full fair market value. And because you are donating stock, rather than selling and donating cash, there is no capital gains tax.

Would you prefer to donate bonds or mutual funds? The same benefits apply.

The benefits of gifting appreciated investments :

1. *The satisfaction of knowing your money is invested in a cause important to you.*
2. *Capital gains taxes on the stock are avoided.*
3. *You will be eligible to receive an income tax charitable deduction for the full fair-market-value of the stock at the time of the gift*

Wintergreen Fire Department 2024 Capital Fund Drive

*Legacy Contribution from Wintergreen
Resident Makes An Impact on the
Future of Wintergreen Fire and the Community*

**Come and Celebrate with Us
April 13th from 10 AM—2 PM**

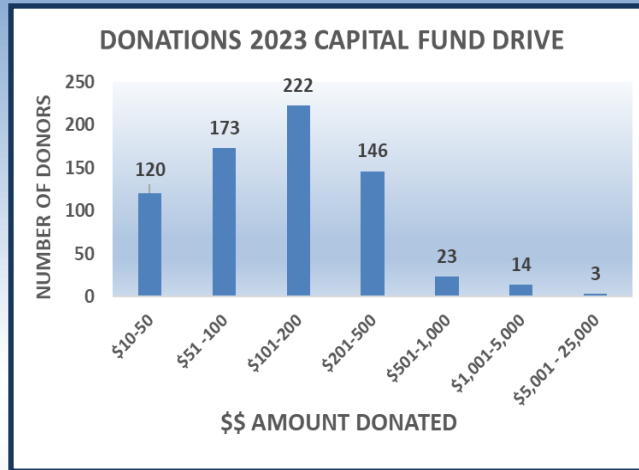

Training Captain Jeremy Wampler is ready to spend more time training and less time driving to remote locations. Jeremy is certified to conduct most fire training classes required by the Virginia Department of Fire Programs.

In September last year the fire department and special guests met to officially "burn the ribbon" to our new state-of-the-art Firefighter Development Center (FDC) in Nellysford. Soon, we will have live fire training options as often as we need them.

Guests check out the seemingly simple concrete lined Interior. In actuality they are viewing specialized tiles covering highly sophisticated high temperature monitoring sensors designed to protect the trainees, and the integrity of the facility.

WE TOPPED OUR GOAL – AND YOU MADE IT HAPPEN!

A Note of Gratitude from the Treasurer

The above graph may or may not hold interest for you, but since I have been involved in the capital fund raising since 2005, the graph has strong significance for me. When we began raising money to buy trucks, and expensive support equipment we accepted checks only. As years passed and fund raising, payment choices and technology have become more sophisticated, we have accommodated the many, and still growing ways to receive donations. We see more grants from charitable funds, matching corporate donations, property and stock donations and retirement account distributions all of which can reduce tax liability for the donor. We have appreciated our donors' patience as we sorted through the accounting and documentation to recognize these diverse donation instruments.

What has not changed is the generosity of our property owners. Each year the department budgets for a given level of donations, and each year your donations get us to the finish line. To those of you who have donated over the last two decades or more, thank-you for your faithful and regular support.

As a group of property owners funding a hybrid volunteer/career fire department, we can be proud of our achievement. Our fleet and equipment compare well with municipally funded agencies everywhere.

We are humbled by your unwavering response year after year. In December we were falling significantly short of our budgeted goal for 2023. We made an appeal in the WPOA newsletter, and your response was truly a miracle. Several very large donations came in along with the ever-important average donations, and extra donations as well. It is with sincere gratitude that we thank every donor. Without you our ability to serve you at the highest level would not be possible.

Karen Asher
Volunteer Treasurer

Your tax deductible donation directly supports your neighborhood. The majority of the money to purchase our firefighting equipment comes directly from your donations. Thank you for helping us keep our standards of service high.

DONATE TODAY!

Wintergreen Fire Department

YES...I am happy to support the 2024 appeal for funds needed to maintain the Wintergreen FIRE DEPARTMENT'S current high state of readiness. Please put my TAX DEDUCTIBLE contribution to work.
